[PF] AlexM 2/22/2020, 6:01:19 PM

Alright, everyone. As Q once pointed out to us, all good things must come to an end. This is the end of the Second Project Khitomer. I'd like to thank you all again for coming and making this event turn out so great! You have all just been amazing! So thank you all very much.

.

Before we call it a night, I'd like to give a few shout outs.

.

First off, we couldn't have done it without our <@Panelists>! Let's give them a round of applause for their incredible sessions and discussions!

[SB118] German Galven 2/22/2020, 6:02:24 PM

I enjoyed reading and also participating while conducting my panel so thank you guys for allowing me to be a part of this 😊

[PF] AlexM 2/22/2020, 6:02:31 PM

Let's also give a hand to @ReminderBot for keeping us all on schedule!

And a big thank you as well to our @Moderators! Without them, today would not have run so smoothly!

I'd also like to thank all of our @Hosts for their efforts behind the scenes as well. I know not all of them could make it today, but they've all done a lot to make today possible.

Billy/USS Sutherland 2/22/2020, 6:03:49 PM

whoohooo

This was amazing

[PF] AlexM 2/22/2020, 6:04:00 PM

As a reminder, we will be making transcripts of all of the sessions. Those should be available next week.

[PF] Amethyst 2/22/2020, 6:04:01 PM

Thank you <@&533670654327652364> for making this event possible!

[22/OF] Kasterborous 2/22/2020, 6:04:10 PM

This honestly was great to be a part of, and to have learned so much!

Lia 2/22/2020, 6:04:25 PM

When is the NEXT one????

[PF]Kai1701E 2/22/2020, 6:04:29 PM

My butt is numb from all the sitting...

#worthit

[SB118] German Galven 2/22/2020, 6:04:46 PM

Thank you to everyone for contributing to our panels allowing it to run smoothly! Not that I was nervous or anything...

[16th] NX-1701-G 2/22/2020, 6:05:08 PM(edited 2/22/2020, 6:05:22 PM)

My wife threatened to kill me during both my panels (and she watches crime shows like I watch Trek)

[16th] Kate, CO Langley Station 2/22/2020, 6:05:14 PM

Nervous? Nah, not at all...

[PF] Amethyst 2/22/2020, 6:05:22 PM

fear her

she can kill you and no one will ever know

[22] Confusedfire [VFY|CO] 2/22/2020, 6:05:39 PM

Thanks everyone for behaving yourselves so I didn't have to throw @greenfelt at you

[SB118] German Galven 2/22/2020, 6:05:54 PM

[PF]Kai1701E 2/22/2020, 6:06:07 PM

Yeah, it has all been brilliantly well done

[22] Confusedfire [VFY|CO] 2/22/2020, 6:06:26 PM

Hey I always say... Nevermind I'm not saying it and getting myself into trouble _eyes someone in the room_

[BF] aio 2/22/2020, 6:06:42 PM

I would also like to thank everyone who made the effort to be here. With Picard on TV, Disco arriving soon, plus other Trek shows in production and development, it's a great time to be a Star Trek fan, whether or not you enjoy them. It's an absolute pleasure to be a part of this community, and regardless of your fleet affiliation, we are all one writing community, and I am so proud to have been a part of this for the second year!!!

[SB118] German Galven 2/22/2020, 6:07:37 PM

Lower Decks too!

[PF] AlexM 2/22/2020, 6:08:31 PM

Just one final time, feel free to stay in the server and continue to hang out. Like last year, the Khitomer server will not be going away. It will continue to be a hub for us to

all hang out and engage. Thank you again to everyone for joining us today, and I can't wait to see what next year's event has in store!

[USS Mayhew] Tom Rake 2/22/2020, 6:09:11 PM

Great panels, well done and thank you!

Lia 2/22/2020, 6:09:12 PM

[22] Confusedfire [VFY|CO] 2/22/2020, 6:10:12 PM

[PF] AlexM 2/22/2020, 6:10:24 PM

[PF] Amethyst 2/22/2020, 6:10:25 PM

[PF] AlexM 2/22/2020, 6:11:36 PM

I think we're going to lock these rooms down in just a moment, but feel free to move the conversation on over to #general-chat. Once again, thank you everyone!
