

Project Khitomer 2020

Opening Ceremonies

Hosts: [Alex M \(Pegasus Fleet\)](#), [Aio \(Bravo Fleet\)](#), [du Lac \(Obsidian Fleet\)](#), [greenfelt \(22nd Fleet\)](#)

[PF] AlexM 2/22/2020, 9:00:11 AM

Hello everyone! And welcome to the Second Project Khitomer! Project Khitomer was designed as a special event to bring together the greater Star Trek Simming Community. This is a place where simming veterans and inexperienced simmers alike can join together for an exciting day of fellowship, education, and more!

This event was started last year to bring together all members of the greater simming community, no matter their fleet affiliation, skill level, or lifestyle. The founders of this event wanted to encourage the spirit of community and to cultivate the sharing of ideas. We were humbled by the level of support we received in the first Project Khitomer. Now I'm beyond excited to be welcoming all of you to our second Project Khitomer. I know we have a lot of returning faces from last year, but a lot of new faces as well, which is incredible to see. So thank you all very much.

[PF] AlexM 2/22/2020, 9:02:14 AM

Before we get started with our first panels today, I'd like to go over a few ground rules. I know no one likes having to go through rules, but our goal for today is for everyone to have a great day in a fun and safe environment.

- 1 Treat everyone with respect and keep any foul language to a minimum.
- 2 We have a Zero Tolerance on any form of bullying and/or harassment, including, but not limited to: personal comments, age, race, gender, sexual preference, or fleet affiliation.
- 3 Leave your ranks at the door. We are all players here.
- 4 Recruitment in all channels outside of the dedicated channels has been prohibited. This event is not intended for recruitment, and we do not want anyone to feel pressured.
- 5 We ask everyone to keep discussions in the relevant rooms so that our panels can stay on topic. We have provided overflow areas for discussions that run past their scheduled time. Additionally, please limit the use of images and gifs to the #548890772955725843 channel.
- 6 We are aware that the newest shows in the Star Trek franchise can be divisive at times. While we understand that the new shows may not be your cup of tea, we ask that you be respectful of each other's opinions. Discussions are fine, but please refrain from bashing.
- 7 Likewise, let's avoid political conversations altogether.
- 8 We are also aware that there is a new show on the air right now, and we are all excited to chat about it. But please keep spoilers to the appropriate places. Panels that deal directly with Picard spoilers should preface their discussion with a clear spoiler warning.
- 9 And finally, above all else, let's have some fun.

[USS Mayhew] Tom Rake 2/22/2020, 9:02:18 AM

Finds a seat 😊

[PF] AlexM 2/22/2020, 9:02:36 AM

A quick tour around the server before we get started...

Introduce yourself, who you represent, and anything else you feel is important in #introductions. We do ask that you keep this channel discussion-free so that everyone's introductions can be read.

You can find our full event schedule in #schedule.

All sessions will be held in either #room-one or #room-two. Participation at all levels is encouraged.

Last year's workshop rooms are still available. Although there is not anything scheduled for these rooms this year, feel free to use them if anyone wants to throw out an idea and crowdsource feedback.

Recruitment links are permitted in the appropriate recruitment room. Please respect the channel rules, which are pinned in each of the recruitment channels.

Out of respect for those who are not caught up with the show, please keep Picard spoilers in either the appropriate panels, or in the spoiler channel, #spoilers. We've marked the room NSFW *only* so that you have to opt in to the room to make it easier to avoid spoilers. Otherwise let's keep the content at a level that is appropriate for any other channel of the conference.

If you have any issues, please see one of our <@Hosts> or <@Moderators> and they will be happy to help you out.

As one final reminder, transcripts of the event should be available next week.

[22] greenfelt 2/22/2020, 9:03:15 AM

Woo! Transcripts!

cries as he thinks about doing those

[PF] AlexM 2/22/2020, 9:03:31 AM

Before I pass the mic on to my fellow hosts, I'd just like to introduce myself. My name is Alex, and I've been simming for around twelve years. Early on I had been on a handful of different sims, but settled into Pegasus Fleet just over ten years ago, and have been there ever since. For the past seven and a half years I've been the commanding officer of Starbase 332 in Pegasus Fleet, and have been privileged to spend a little over five years as the fleet commanding officer. I've always been a fan of Star Trek, starting with The Next Generation and the original six movies. One of the highlights of every week as a child was getting to stay up late on Fridays to watch TNG with my dad. Star Trek even inspired me to pursue a career in engineering, so I'm blessed to be a part of this community. I'm so excited to see all of you here at Project Khitomer and I'm honored to be able to kick things off this year. I hope all of you are as excited as I am for another great Khitomer!

[22] Confusedfire [VFY|CO] 2/22/2020, 9:03:56 AM

Also, this is not a fire free event so please collect your complimentary fire extinguisher from #general-chat .

[PF] AlexM 2/22/2020, 9:04:20 AM

Let's hand things off to our next host. Who wants to go next?

[22] greenfelt 2/22/2020, 9:04:30 AM

I shall.

[22/OF] Kasterborous 2/22/2020, 9:04:58 AM

Wooo fire extningushers

[22] greenfelt 2/22/2020, 9:05:46 AM(edited 2/22/2020, 9:06:25 AM)

Hi everyone! It's a pleasure to have helped bring Khitomer to life this year. I'm greenfelt, and I've been actively simming since 2003. For the last six years, I've commanded the USS Black Hawk which is now in the 22nd Fleet. I was first introduced

to Star Trek with First Contact (in theaters) and found TNG and DS9 in syndication a month later. It was like a match made in heaven. 😊 I love Star Trek, and I enjoy writing it even more. I'm so glad you all came today, and I really hope that you make at least one new friend today and learn something that you can apply to your writing, no matter if you're a player or a GM.

Next?

[BF] aio 2/22/2020, 9:06:08 AM

raises hand

Is anyone else as excited as I am? 😊

[22] greenfelt 2/22/2020, 9:06:36 AM

Simming. Autocorrect. Not skimming. >.<

[O42N] MajTom 2/22/2020, 9:06:50 AM

[PF] Capt. Franklin Johnson 2/22/2020, 9:06:56 AM

[O42N] MajTom 2/22/2020, 9:07:02 AM

I like skimming too

Lady Barbara 2/22/2020, 9:07:38 AM

[BF] aio 2/22/2020, 9:09:13 AM

I'm aio, also known as aio, aio and to some people, aio (you know who you are). I was, like the greenfelt, involved in helping bring Khitomer from fantastical thoughts, into reality! I've currently got 2 running sims, and a few other little side projects going on. I remember when I didn't watch Star Trek, and I remember when I did, but I don't remember what actually got me hooked. I love Trek, I love coming up with my own stories, and I love helping people realise their visions! So you can imagine how much I love Project Khitomer!!

[22] greenfelt 2/22/2020, 9:10:01 AM

[PF] Capt. Franklin Johnson 2/22/2020, 9:17:52 AM

Being educated; more ideas to introduce to my command staff and sim, more incentives to be introduced for my players to explore their potential.

Billy/USS Sutherland 2/22/2020, 9:18:09 AM

Coming out slightly less burned than last year *looks at @Confusedfire*

[22] Confusedfire [VFY|CO] 2/22/2020, 9:18:22 AM

[22] Kris 2/22/2020, 9:24:22 AM

Oy, I'm not even paying much attention since I'm reading something....

[16th] Kate, CO Langley Station 2/22/2020, 9:24:24 AM

Hi everyone! I hope to be really online in a few hours. Right now I'm freezing my but off on the train station.

[PF] Capt. Franklin Johnson 2/22/2020, 9:24:32 AM

Be safe!

[BF] aio 2/22/2020, 9:24:40 AM

Stay warm!!

[22] greenfelt 2/22/2020, 9:24:43 AM

No, @MajTom. Last year's event scared him off.

[PF] AlexM 2/22/2020, 9:24:45 AM

No promises on the Federation President. Security is a little tighter after last year.

[22] greenfelt 2/22/2020, 9:24:52 AM

HA!

[PF] Capt. Franklin Johnson 2/22/2020, 9:25:03 AM

sighs in no clawing

[O42N] MajTom 2/22/2020, 9:25:23 AM

I'm glad to hear it!

[16th] Kate, CO Langley Station 2/22/2020, 9:25:29 AM

Its delayed, so no luck so far.

[22] Confusedfire [VFY|CO] 2/22/2020, 9:25:30 AM

You'll have to wait for your mauling

[PF] Capt. Franklin Johnson 2/22/2020, 9:25:41 AM

I think I killed the chat. I apologize.

[16th] Kate, CO Langley Station 2/22/2020, 9:28:02 AM

Lol

[22] greenfelt 2/22/2020, 9:28:07 AM

No worries.

This is just the getting to know you part before we dive in.

[PF] AlexM 2/22/2020, 9:28:51 AM

Feel free to continue to ask any questions about the event here until it's time for our first panels. Otherwise, I'll invite everyone to check out our other general chat channels where you can hang out and talk about whatever you'd like. Again, I'm so glad to see all of you here, and I can't wait for the rest of the day's excitement!

[MFU] Angel 2/22/2020, 9:29:09 AM

[PF] Amethyst 2/22/2020, 9:30:01 AM

I'm actually excited to be part of Khitomer this year! I missed it last year because I got called into work.

Billy/USS Sutherland 2/22/2020, 9:30:25 AM

@Angel welcome to Khitomer...I would have responded sooner but I was on a call...and welcome to simming all together

[PF] Capt. Franklin Johnson 2/22/2020, 9:31:09 AM

Conspiracy Theory: ||The reason there was an assassination attempt was because Amethyst wasn't here and folks were mad.||

[22] greenfelt 2/22/2020, 9:31:42 AM

lol

[PF] Amethyst 2/22/2020, 9:31:46 AM

hahahahaha

[MFU] Angel 2/22/2020, 9:32:30 AM

tyvm ^_^

[PF] AlexM 2/22/2020, 9:32:38 AM

It was probably because she wasn't here to scare off the assassins.

[PF] Amethyst 2/22/2020, 9:33:07 AM

Yeah, that's probably closer to the truth... I'm pretty scary 😁

Especially at this hour of the morning.

[PF] Capt. Franklin Johnson 2/22/2020, 9:33:35 AM

That's my thought, though I must admit I'm rather surprised they weren't scared to begin with from S'iraa, which leads me to conclude that the ||clawings|| are actually his way of expressing ||affection|| and in no way deterred the scary people.

Saskbertan81 2/22/2020, 9:34:34 AM

@Amethyst terrifies me

[PF] Amethyst 2/22/2020, 9:35:31 AM

LOL

[TF] Kaede Kayano 2/22/2020, 9:35:47 AM

thinks there's not enough Anime in here yet....

[OF] RottenEmu - S.S. Fawkes 2/22/2020, 9:35:57 AM

Hello everyone, good to see you all back here! 😊 Also good to see that the madness never truly ends 😊

[PF] Amethyst 2/22/2020, 9:36:08 AM

Sheer terror... solid basis for 20 years of friendship 😊

Saskbertan81 2/22/2020, 9:36:19 AM

[PF] Capt. Franklin Johnson 2/22/2020, 9:37:24 AM

woops, wrong one....urm

awkward

[TF] Kaede Kayano 2/22/2020, 9:40:16 AM

Well, hello everyone. I'm glad to be here, and as the panelist for the Engineering talk, I want to say thankyou to our hosts. Over at Theta Fleet we've been preparing for this, so its been fun times! Its always nice to see all of us coming together over a similar love of writing and Star Trek. I want to just take a moment and raise a glass to all of us here in good friendship, participation and in the spirit of Gene Roddenberry. I'm here to have fun and learn some new things, I hope we can all get along! *bows*

[PF] AlexM 2/22/2020, 9:48:23 AM

Thank @greenfelt for that one. It's going to be a very helpful tool for us.

[PF] Capt. Franklin Johnson 2/22/2020, 9:48:43 AM

Does it warn *before* or *after* it destroys all humans?

[22] Confusedfire [VFY|CO] 2/22/2020, 9:49:16 AM
